

## COURSE SYLLABUS

**Course:** Common Core: Implementing the Writing Standards Grades 9-12

**Presenter:** Meesha Brown

**Credits:** CEU

### Course Overview

In this course, you will learn how to implement the Common Core State Standards for grades 9-12 writing instruction in your own classroom, whether you teach English language arts or high school science. You will examine the organization of the standards to see how the demand for more sophisticated writing increases over time. You will also explore in detail the 10 anchor standards that run through the two grade bands of K-5 and 6-12, including text types and purposes, production and distribution of writing, research to build and present knowledge, and range of writing.

### As you take this course, you will:

- Listen to experts.
- Watch real classroom learning.
- Read research and best practice.
- Access an application toolkit that provides resources, lesson plans, and graphic organizers.

### Learning Objectives

In this course, you will explore:

- 1) The Common Core writing standards and the Gradual Release of Responsibility Model.
- 2) The key elements of Common Core opinion/argumentative writing.

## Course Resources

Included within each unit are readings, resources, and materials available to download, save, and print. Please make sure you access all materials for each unit by clicking on the “Resources” tab to the right of the screen.

At the end of each unit, you will find a KDS Application Toolkit that includes resources that can be used for implementation the next day, e.g., graphic organizers, project ideas, suggested texts and all onscreen graphics that are available to print or download.

## Methods of Instruction and Evaluation

- Videos (presentations consisting of interviews and classroom footage)
- Readings
- Reflection questions (open-ended questions at intervals throughout the course which ask participants to reflect on the course content, their own practice, and next steps for their practice)
- Checks for Understanding (selected-response quizzes to assess understanding)
- Discussion forum (prompts that engage participants in online dialogue with their cohorts)
- Pre and post surveys

## Academic Honesty

KDS recognizes plagiarism as a serious academic offense. Plagiarism is the passing off of someone else's work as one's own, and includes failing to cite sources for others' ideas, copying material from books or the Internet (including lesson plans and rubrics), and handing in work written by someone other than the participant. Plagiarism will result in a failing grade and may have additional consequences. For more information about plagiarism and guidelines for appropriate citation, consult [plagiarism.org](http://plagiarism.org).

## Grading Policy (using rubric 1-4 scale system)

Total grade for the course is a culmination of performance grades

A: 3.4 – 4.0

B: 2.7 – 3.3

C: 2.0 – 2.6

F: >2.0

## Percentage of Course Credit

Course grade is determined by the following:

- |                            |     |
|----------------------------|-----|
| ▪ Reflections              | 40% |
| ▪ Checks for understanding | 60% |

In order to complete the requirements of the course, you must complete all course work (e.g., reflections, checks for understanding), including watching all videos and participating in all discussion forums. We do not award partial credit.

**Checks for Understanding and Reflection Rubric**

Assessment	Underdeveloped (1)	Basic (2)	Proficient (3)	Distinguished (4)
Checks for understanding	65% or below	66-79%	80-89%	90-100%
Reflection Question	<p>Participant has included little to no content indicating consideration and comprehension of course content.</p> <p>Participant has not addressed the questions posed. Participant has copied from the course transcript without synthesis or analysis.</p>	<p>Participant has included little that indicates consideration and comprehension of course content.</p> <p>Participant has answered most questions directly but some too briefly.</p>	<p>Participant has included appropriate content from the course content.</p> <p>Participant has made thoughtful comments in direct response to the prompts.</p>	<p>Participant has provided rich detail and supporting examples from the course content.</p> <p>Participant has made responses to prompts personally meaningful and relevant to his or her teaching practice.</p>
